

5th Annual Asbestos Awareness Day Conference
March 27 – 29, 2009
Manhattan Beach Marriott, California

The Asbestos Disease Awareness Organization's (ADAO) 5th Annual Asbestos Awareness Day (AAD) Conference is to be held on March 27 - 29, 2009. This conference is made possible with the support and collaborative efforts of the Barbara Ann Karmanos Cancer Institute and the International Ban Asbestos Secretariat (IBAS). Our mission is to provide the most advanced medical, occupational and environmental information available about asbestos-related diseases (ARD) to individuals throughout the world. We encourage you to inform others who may be interested in conference participation.

ADAO invites businesses to sponsor memorial tributes for victims of asbestos-related diseases (ARD) and conference acknowledgments in the conference program (both in the hard copy and online versions). ADAO policy precludes the inclusion of any advertising or logos.

Attorneys, please note: Attorneys are invited to purchase tributes to ARD victims, the proceeds from which will be used only to defray the cost of the AAD Conference.

To maintain ADAO's integrity and independence, submitted tributes are subject to approval. ADAO reserves the right to refuse donations and tribute texts deemed ineligible or inappropriate for inclusion in the program. Kindly direct any questions concerning tributes to Linda Reinstein, Executive Director at: Linda@AsbestosDiseaseAwareness.org.
