Senator Reid, we thank you for listening to the victims and their doctors. You stand at the helm, as we chart a new course for asbestos awareness.

Asbestos Awareness Day was extended to Asbestos Awareness WEEK as requested by victims, their families and friends. We shared a light of hope, honor and remembrance with a lit candle on Thursday, April 7th 6:00 p.m. Jill, thank you for sharing your ACOR tradition. Even as our landmark week of awareness ended, we will keep the vigil of asbestos awareness burning brightly for ever.

Many of our victims were finally able to acknowledge their loved ones - Ms. Raye Black, age 81, was able to publicly tell her story, "Raising awareness of dangers of asbestos exposure" online at <http://www.phillyburbs.com/pb-dyn/news/112-04022005-471104.html>. She lost her husband to mesothelioma a few years ago.

Wristbands

Asbestos victims and supporters around the globe can still order official ADAO "Asbestos Awareness" blue wristbands for \$5.00 per wristband, with free shipping within the United States. Donations

Asbestos-related diseases lack adequate funding for education and research. ADAO, a non-profit grassroots organization, is committed to disease prevention through education, research and advocacy. In order to maintain our independence, ADAO is unable to accept donations from subjective parties such as law firms or medical organizations. However, we do accept individual and corporate donations. If you are interested in supporting our efforts, tax-deductible donations are graciously accepted and can be made in honor of, or in loving memory of a family member or friend. Please send donations to:

Asbestos Disease Awareness Organization
1525 Aviation Boulevard, Suite 318
Redondo Beach, California 90278

Donations can also be made using "Pay Pal" on our web site. www.AsbestosDiseaseAwareness.org
