

In honor of the longstanding tradition, the Mesothelioma Warrior community will light candles on December 28th in loving memory of those who have lost their mesothelioma battle and again in support of Warriors battling mesothelioma on January 4, 2016.

The candle lighting tradition holds special remembrance for mesothelioma warrior, Jill Vaughn, whose candle lighting tradition brought us hope and light, year after year. Jill tragically lost her courageous battle with mesothelioma last year. She was a rock of strength and beacon of hope for patients and families around the world. We are honored to keep Jill's memory and love for community alive through this tradition of remembrance.

"When I started the candle lighting in 2000, I never dreamed it would go on this long. Thanks to ADAO, I can dream that it will go on forever! Linda and Julie have really made it something special and the site is so amazing. I could never have kept up with all the names. Many blessings for your future work." -- Jill Vaughn.

Any Mesothelioma Warrior Candle Lighting names submitted after December 15th will be added to the list on or before March 31, 2016. [Click here to submit a name for the 2015-2016 Mesothelioma Warrior Candle Lighting List](#)

May the flames of hope, courage, and community continue to burn brightly in our hearts forever.

In unity and hope,

*The ADAO Mesothelioma Warrior Candle Lighting Team*
