

2021 - 2022 Mesothelioma Warrior Candle Lighting List

In honor of the longstanding Mesothelioma Warrior Candle Lighting Tradition started by Mesothelioma Warrior *Jill Vaughn*, we will light candles tomorrow, on **Tuesday, December 28, 2021** in loving memory of the Warriors we've lost, and again on **Tuesday, January 4, 2022** in honor and support of Warriors who continue to bravely fight.

Since Jill started this tradition in 2000, candle lighting has brought hope and inspiration to our community, year after year. Jill asked ADAO to help with the tradition in 2009, and it is our honor to continue Jill's wish.

May the flames of hope, courage, and community continue to burn brightly in our hearts forever.

In unity and hope,

The ADAO Mesothelioma Warrior Candle Lighting Team

Please note: Please note, any Mesothelioma Warrior Candle Lighting name submitted after December 15, 2021 will be added to the list for our 2022 Global Asbestos Awareness Week Candle Lighting Tradition on April 7, 2022.

ADAO respectfully asks all businesses to refrain from using the Mesothelioma Warrior Candle Lighting list for publicity or marketing.
